Your Impact

The purest and most critical part of Drayton Hall’s mission is providing answers about the past in order to further our understanding of American history. Our donors have guaranteed the very survival of Drayton Hall and our mission through several challenging seasons, and our staff and Board of Trustees remain grateful for this partnership.

The Drayton Hall Fund provides general operating support for the entire organization. Unrestricted contributions are crucial to the infrastructure of Drayton Hall and allow us to sustain our mission while expanding efforts in every department.
For decades, Drayton Hall has inspired visitors with its Palladian architecture, diverse collections, historic landscapes, and Ashley River views. Previous research has furthered our understanding of the Drayton family’s material world and the conditions faced by the free and enslaved people who lived and worked at across the site. During Fiscal Year 2021, Drayton Hall Preservation Trust launched an archaeological program to enhance our understanding of the enslaved community. Annual Appeal support aided in ongoing efforts to provide a deeper, more inclusive interpretation of all residents of Drayton Hall.
